Commissioner for Patents

This Office action is in response to applicant's amendment filed July 22, 2011. The reply is considered non-responsive since all the issues presented by the Examiner have not been addressed. The rejections of claims 2 and 3 have not been addressed by the applicant and applicant has not amended these claims. Therefore, the response is not complete. Since this appears to be a bonafide attempt, applicant is given 1 month to correct this deficiency. It is noted that this is not extendable.
